

## Call for Applications Erasmus+ Staff Training

The Hochschule für Nachhaltige Entwicklung Eberswalde (Eberswalde University for Sustainable Development - EUSD) **calls for applications** to participate in the training staff program of Erasmus + during the first term in the academic year 2017/2018.

The staff-training program addresses academic and administrative staff. The aim is to provide working experiences at EUSD and to strengthen relations between EUSD and its partners.

1. Academic staff will be involved in teaching and research training. Academic staff can apply for a training of different teaching methods and tools through lesson/module attendance at EUSD. The applicants select module(s) offered by HNEE based on their own academic research and teaching experiences. Please find attached the modules in English and a choice of German modules at our university for the next term.
2. Administrative staff will be involved in professional activities related to their working profile at their university.

Participants can spend a funded training period at HNEE for a minimum of five days to a maximum of 4 weeks. Each selected participant will get a travel contribution based on the distance from the sending to the receiving institution. The grant for staff provides funding for two additional days of travel (one before and one after the mobility). Staff training has to be accomplished between **October 2017 and February 2018**.

If you want to participate, you need to apply at your home university and submit the following documents:

#### For academic staff:

- CV and letter of intent that also explains your choice of the module(s);
- Compulsory development of modules/courses which will be taught in English at UNFU or involvement in the supervision of EUSD students' research and practice at UNFU using German as language of instruction (for teachers' selection).
- English and/ or German language proficiency.

#### For administrative staff:

- CV and letter of intent that also states:
  - what do you hope to do and learn in Germany;
  - what are the expected benefits of your training for your department/ your university.
- English and/ or German language proficiency.

**The closing date for applications will be 2 weeks after it was published on UNFU's website.**
